

TRIAD ORCHID SOCIETY NEWSLETTER

January 2011 edition

Preview January 2011...

Hello all TOS members. Happy New Year! I hope the holidays went well. On Sunday January 9th, 2011 we will be hosting Steve Arthur who will be presenting a talk entitled : ' Orchids from pollination to bloom". Steve is a AOS Probationary Judge. He will be presenting a talk covering the details of orchid propagation. Steve's extensive background in animal tissue culture with Medical College of Georgia has undoubtedly provided him insight into these processes of growing orchids from seeds and meristem and it should be an interesting talk. As always we will have our potluck lunch and show table. As of the writing of this newsletter it is unclear whether Steve will be bringing plants to sell. In any case, I'll forward information as it comes to me. Hope to see everyone there.

Cheers,
Dennis
